

Directions to the bouldering hall „Cliffhanger“

Cliffhanger
Telegrafenberg 21
13599 Berlin-Spandau

The bouldering hall "Cliffhanger" is a bit hidden on the industrial area "Havelwerke" down at the harbor near the houseboats in the building part "Werft". There are two access gates. One is at the end of the Zitadellenweg (1) and the other at the end of the Telegrafenberg (2).

Coming with the U7, the subway station Zitadelle directly at Zitadellenweg is the best choice. By bus X33, 133, 236 and N33 subway station Haselhorst at Telegrafenberg is a good alternative.
